***Show, venue and relaxed performance
information***

This visual story is designed for visitors to the performance of Grow Up. This document contains information about the play and the venue to help you prepare for your visit.

About the show

<p>Grow Up is a new theatre show by Company Three.</p>	
<p>Company Three make theatre with young people from Islington.</p>	
<p>The show will be 60 minutes long with no interval.</p>	
<p>There are eight young people in the show. They are:</p> <p>Basiru, Hattie, Ilia, Isaiah, Mylo, Renata, Shayma and Shiloh.</p> <p>They each play themselves.</p> <p>They will tell stories about their lives, memories from when they were children and what they want for the future.</p>	

<p>Because we are still creating Grow Up, we don't know all of the content or themes yet.</p> <p>We know it will be joyful and there will also be some serious moments.</p>	
<p>We don't know what the final stage and set will look like yet.</p> <p>We know there will be a beach and some bright colours.</p>	
<p>We will update this visual story on 17 June 2024 with more information about the content, themes and what the performance will look like.</p> <p>We will send the updated visual story to everyone who has booked a ticket and it will also be available on our website.</p>
